## Application Form

The Nova Scotia Home Builders' Association (NSHBA) is a voluntary association of builders, renovators, developers, suppliers and others with an interest in the residential construction industry. As the voice for the residential construction industry in Nova Scotia, the mission of the NSHBA is to provide professionalism in all aspects of the industry and provide quality, affordable housing choices to Nova Scotians.

It is from this the Homebuilders Care program was developed to help meet the needs of non-profit organizations who help others, by doing what we know best - building and renovating. The NSHBA Renovators' Council will be accepting applications from non-profit organizations who have a need for a renovation project. The Renovators' Council will evaluate the projects and make the choices as a group. Although we understand there is great need in the Halifax Regional Municipality, we will only be able to choose the number of projects that we have volunteers to undertake the work.

In addition, organizations that are chosen for the renovations must be willing to have their organization's name and photos of the renovation included in a promotional and marketing campaign for the NSHBA's Homebuilders Care program.

We look forward to hearing from you. If you have any questions please phone Sherry Donovan at 450-5558 or email [sgrant@nshba.ns.ca](mailto:sgrant@nshba.ns.ca).

**Please note: the application must be completed in full or it will not be considered by the Renovators' Council. A photo of the locations that requires renovation must be submitted with this application.**
